

HILUX

The Hilux is a very versatile vehicle and kits are available to cater for many applications.

**4WD
& 2WD**

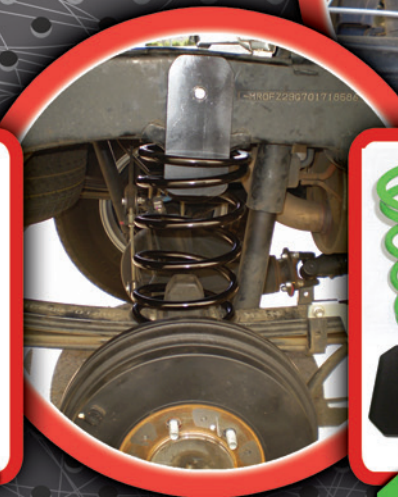

Kits are available for heavy Laden vehicles and the 2" Lifted vehicles.

Vehicles that have had aftermarket shocks fitted will have to use the 2" lift kits. Note, they are only available for 4x4 models.

2WD KIT

4WD KIT

Toyota Hilux 2004 Onwards

Part No.	RR Price	Type	Fitting Time	Options	Suits	Rate Lb/Inch	Kgs at 80% Travel
