

TRITON

The Triton has become part of the Australian landscape.

Kits are available for all models 2WD & 4WD. Also available for the 2" lifted suspensions.

They can be fitted with the wheels on. They fit to all types of bodies eg. Tray / style side / canopy.

4WD
& 2WD

If the vehicle has been fitted with aftermarket shocks then you will need to go for the kit to suit the 2" Lift.
